Re: Past Due Indebtedness: \$39.00
Total Balance Due: \$117.00

Dear Ms. Menezes:

Over the past several months we have tried to notify you regarding your past due indebtedness to the Association for membership dues and/or initiation fee. As of April 30, 2003 we have not received sufficient payment nor other information which would indicate a status change requiring an adjustment to your balance due.

As Secretary/Treasurer of the Association of Flight Attendants, and consistent with Article IV.E.1.c and Article XII of the Association Constitution and Bylaws, it is my responsibility to inform you, I am invoking the Union Security clause in your contract. This clause is part of your contractual agreement between you, your employer and the Association which requires you to be notified of your delinquent financial obligation fifteen (15) days prior to the Association formally requesting your termination as an employee. Unless payment in full of your past due indebtedness or information indicating that AFA's determination concerning your status is incorrect is received within fifteen (15) days of your receipt of this letter, I have no alternative other than to request your termination of employment from your airline.

Should you have any questions regarding this matter, please contact our Accounts Receivable Department IMMEDIATELY at 1-800-424-2401, EXTENSION 860.

Sincerely,

Paul G. Mac Kinnon
International Secretary-Treasurer
